

Table of Contents

Lesson	Content	Class Date	Notes
TH-101	Basic Principles and Circuit Theory		
TH-102	Circuit Theory - Multimeters		
TH-103	Introduction of Ohm's Law and Power		
TH-104	Series Circuits, Voltage Measurements, and Voltage Drop		
TH-105	Mid-Term Review and Exam		
TH-106	Introduction to Parallel Circuits		
TH-107	Introduction to Combination Circuits		
TH-108	Introduction to AC Theory		
TH-109	AC Theory - Impedance and Reactance		
TH-110	Review and Final Exam
