Note: A customer service representative will call you at the phone number provided above to collect payment information and process your order.

By placing this order, the customer agrees to the pricing and terms and conditions expressed herein and on the attached policy statement (Dated 2026) and further agrees that these terms and conditions supercede any other representations, either written or verbal.

Required Student Materials–Apprentice Kits

Item	List	IEC Price	Item Number	Quantity	Total Cost
1st Year 2026/2027 Apprentice Kit Includes: Student Curriculum Manual and Workbook, Electrical Fundamentals 1E, Ideal Bender Guide (BILT App)	469.68		IEC-EA-100		
2nd Year 2026/2027 Apprentice Kit Includes: Student Curriculum Manual and Workbook, A Comprehensive Guide to the 2026 NEC®, Electrical Specifications for Wendy's Project	469.50		IEC-EA-200		
3rd Year 2026/2027 Apprentice Kit Includes: Student Curriculum Manual and Workbook, Electrical Motor Controls 5E, Electrical Grounding and Bonding 8E	510.70		IEC-EA-300		
4th Year 2026/2027 Apprentice Kit Includes: Student Curriculum Manual and Workbook, Electrical Systems Based on the 2026 NEC®	424.89		IEC-EA-400		

Instructor materials are not sold in kits since many instructors carry resource materials and textbooks over from year to year.

For your instructors, you will need to order curriculum Instructor Manuals for the year being taught, and ensure that your instructors have the required student textbooks as well as associated answer keys and instructor resource guides.
